

LABELLING SOLUTIONS

Krosstech provides a range of durable and affordable labelling solutions that are designed to display product details while maintaining superior visibility, clarity and organisation.

Long-lasting and easy to install, our storage labelling system includes the following ranges:

HANGING LABELS FOR WIRE BINS

Hanging label holders are an ideal solution for product, price and barcode signage on wire bins. Hanging label holders feature a scanner-legible profile and are open on three sides for easy label placement.

These hanging label holders are connected with our Super Lock Clips.

| CODE | DIMENSIONS | PACK SIZE |
|--------|------------------|-----------|
| J19508 | 105mm W x 25mm H | 100 |
| J19509 | 105mm W x 40mm H | 100 |
| J19510 | 105mm W x 60mm H | 100 |
| J19515 | Clips | 100 |

*All hanging labels come with Clips.

HANGING LABELS FOR WIRE SHELVES

Hanging label holders that have been designed for item, price and barcoding on wire shelving.

Featuring a scanner-legible profile and open on three sides for easy label insert, these hanging label holders are connected with our Super Lock Clips.

| CODE | DIMENSIONS | PACK SIZE |
|--------|-------------------|-----------|
| J19516 | 914mm W x 25mm H | 50 |
| J19517 | 1200mm W x 25mm H | 50 |
| J19515 | Clips | 100 |

*All hanging labels come with Clips.

ADHESIVE LABEL HOLDER STRIPS

Self-adhesive label holder strips are the perfect holders on fixed product storage shelves for product, price and barcode signage labels.

Self-adhesive label holder strips are open on three sides for easy label insert, and feature a scanner-legible profile. Self-adhesive label holder strips are supplied with double-sided adhesive tape for mounting on flat surfaces such as shelving.

| CODE | DIMENSIONS | PACK SIZE |
|--------|---------------|-----------|
| BV2509 | 1200mm x 26mm | 50 |
| BV2510 | 914mm x 26mm | 50 |
| BV2511 | 1200mm x 39mm | 50 |
| BV2512 | 914mm x 39mm | 50 |

BIN LABELS

Bin label holders are designed specifically for clear identification on plastic parts bins and trays, and corresponding product storage shelves. This clarity allows logistics staff to identify variable storage locations and move goods in and out of storage. Bin label holders give the flexibility of updating product detail easily.

| CODE | DIMENSIONS | PACK SIZE |
|--------|------------------|-----------|
| BV2560 | 105mm W x 26mm H | 100 |
| BV2561 | 105mm W x 39mm H | 100 |
| BV2562 | 80mm W x 30mm H | 100 |

MAGNETIC LABEL POCKETS

Magnetic label holder pockets are an ideal solution for product, price and barcode signage on steel surfaces such as racking, shelving, and storage cabinets.

- Open on one side for label insert placement
- Feature a scanner-legible profile
- Specifically used in varying storage locations, being easily relocatable

| CODE | DIMENSIONS | PACK SIZE |
|--------|------------------|-----------|
| BM9850 | 110mm W x 25mm H | 25 |
| BM9851 | 110mm W x 50mm H | 25 |
| BM9852 | 210mm W x 70mm H | 25 |

MAGNETIC LABEL STRIPS

Magnetic label strips from Krosstech have been designed for product signage on steel surfaces such as racking, shelving and storage cabinets. These flexible magnetic label strips are used in varying locations, being easily relocatable, and signage can be written on or attached.

| CODE | DIMENSIONS | PACK SIZE |
|--------|------------|-----------|
| BM9853 | 60mm H | Per M |
