ABOUT KROSSTECH

For over fifty years, Krosstech Pty Ltd has been the trusted partner of Australia's leading industrial and healthcare companies, delivering innovative and reliable storage and materials handling solutions. As a proudly Australian-owned and operated business since 1968, we are committed to exceptional customer service and fast dispatch Australia-Wide.

At Krosstech, we understand that the right storage and materials handling solutions are critical to maximising productivity, enhancing safety, and reducing inventory waste. We combine deep industry knowledge with a commitment to innovation and flexibility. Our goal is to develop long-term partnerships with our customers by delivering exceptional value and customer service.

Custom trolleys, built for the way you work.

When standard trolleys don't quite fit your workflow, create a solution that does.

Purpose-built.
Practical.
Healthcare Ready.

TROLLEY DUST COVERS

ROLL UP / FLAP BACK

The trolley dust cover's front flap rolls up and secures with hold-up straps for easy access.

FRONT STRAPS

The front straps keep the trolley dust cover taut, preventing it from flaring out and catching on equipment or other items.

BOUND SEAMS

Stitched binding on all edges and corners, reduces fraying and enhances long-term durability.
